

Product & Category Header & Footer Import/Export

Product Description:

This import export utility allows you to easy maintain your product and category headers and footer via flat file.

Key Features:

- Flat File Export
- Flat File Import

Support:

Support is offered on all Sebenza modules via our online helpdesk. Module support includes, but not limited to, installation issues, compatibility, and module usage.

Requests outside of the modules scope will be addressed on a case by case scenario. In most cases these requests will on a custom development basis at our current hourly rate.

Before contacting support, please refer to not only this document... but also to our [online FAQ center](#).

Installation Instructions

Step 1. After purchasing the MIVA Merchant 5 module, download it to your computer. If it was supplied as a Zip file, unzip it to a convenient directory. Winzip is a popular tool for un-zipping files and is available [here](#).

Step 2. Next, upload your new module to your MIVA Merchant administration panel via the “Add” link to the right of the “Modules” link in the left navigation.

Step 3. Click the “Upload” button and select the module to be uploaded and installed. After you select the module click the “Add” button.

Now your module is installed to your MIVA Merchant Domain. Next, we will need to assign the module to the store you want to use it with.

Step 4. Click “Utilities” within the left navigation under your selected store.

Step 5. Find the “Product and Category Hdr Ftr Imp Exp” module, select the checkbox, and hit “Update”.

Step 6. After you hit the “Update” button, a new tab was created called “Product and Category Hdr Ftr Imp Exp”. Click on the “Product and Category Hdr Ftr Imp Exp ” tab. Now that the module is assigned to the store, you will need to enter your license number. Enter your purchased license number and click “Update”. If you do not have a valid license number please contact Sebenza.

Exporting

The screenshot shows a dialog box with two tabs: "Export" and "Import". The "Export" tab is selected. The dialog contains the following fields and options:

- Export Type:** Radio buttons for "Product" (selected) and "Category".
- File Name:** A text input field containing "export.dat".
- Delimiter:** Radio buttons for "Tab" (selected) and "Other:" followed by an empty text input field.
- If file exists:** Radio buttons for "Append To File" and "Replace File" (selected).

At the bottom right of the dialog are two buttons: "Export" and "Reset".

To export your headers and footers:

1. Select your Export Type. Select Product to export the product headers and footers and select Category to export the category headers and footers.
2. Specify a filename, it will default to hdfd_export.dat, but it might be best to name this dependant on what you are exporting. Ie – ctgy_hdfd_export.dat
3. Specify your delimiter, defaulted to Tab. But we suggest you use the other field and use “^” as your delimiter in your flat file. ^ is “Shift + 6”.
4. Specify to append or replace current file.
5. Click “Export”.

The file is exported to your data directory. This directory is often called “mivadata” and is found one level below your web directory. You will need FTP access to download this file.

Importing

The screenshot shows a web interface for importing data. At the top, there are two tabs: "Export" (highlighted in red) and "Import". Below the tabs is a form with the following elements:

- Data File:** A text input field followed by an "UPLOAD" button with a folder icon.
- Import Type:** Two radio buttons: "Product" (selected) and "Category".
- Delimiter:** Two radio buttons: "Tab" (selected) and "Other:" followed by a small text input field.
- At the bottom right of the form are two buttons: "Import" and "Reset".

To import your headers and footers:

1. Specify the data path of your flat file or click the "UPLOAD" button to upload your file for processing.
 - Product:** Your flat file should consist of three columns. The first being the code, second being the header, and the third is the footer.
 - Category:** Your flat file should consist of four columns. The first being the code, second being the header, third is the footer, and fourth is the category tree image (optional).
2. Specify whether you are importing product or category headers and footers by selecting the appropriate Import Type
3. Specify your delimiter. We suggest you use the other field and use "^" as your delimiter in your flat file. ^ is "Shift + 6".
4. Click "Import"

License:

BY DOWNLOADING AND/OR IMPLEMENTING THIS SOFTWARE YOU AGREE TO THE FOLLOWING LICENSE:

Definitions:

(i) "You" and "Licensee" refers to the person, entity or organization which is using the software and source code known as "Module", and any successor or assignee of same.

(ii) "Module" (hereinafter "Module") is the application and source code which accompanies this License, and which allows for the creation, use, maintenance and modification of electronic catalogs written for commercial and non-commercial internet use, which requires the use of Miva Script and/or Miva Merchant.

1. This license is for the downloading, acquisition and use of Module and any permitted modifications of Module source code. By downloading, acquiring and using Module, YOU expressly agree to abide by this License.

2. This license is between LICENSEE and Sebenza. Licensee acknowledges that Sebenza is and has granted this license in reliance upon representations made by Licensee and Licensee warrants the truthfulness and accuracy of such representations. Any breach of this warranty of truthfulness and accuracy shall constitute a breach of this License. Sebenza has the sole and unqualified right to refuse to license any person or entity for any reason, except for reasons which are specifically prohibited by state and national laws and statutes.

3. Licensee is granted a non-exclusive license to use Module in conjunction with one Miva Merchant Store or one Miva Merchant Domain (based upon Module and License purchased). License to use Module with more than one Miva Merchant Store or with more than one Miva Merchant Domain must be separately purchased from Sebenza or affiliate and is specifically not granted in this License.

4. Module contains valuable proprietary rights of Sebenza. There is no transfer to Licensee of any title to or ownership of Module or any copyright, trade name, trade secret, source code, or other proprietary rights relating to Module, regardless of the form that Module exists in. Licensee may not violate these rights, and Licensee must take all appropriate steps to protect Sebenza's rights. Sebenza may at any time replace, modify, alter, improve, enhance, or change Module without prior notice.

5. Any license, right, or permission to use Module is automatically revoked if Licensee breaches any term or condition of this License. Licensee agrees that in the event of a breach of this License, and upon the demand thereof by Sebenza, Licensee will immediately return any physical copies of Module to Sebenza, will cease any further use of Module, will remove the original and any modified or altered Module source code from his/her/its computers and drives, will cease his/her/its use of Module, and will cease any claimed breach of this License. Licensee agrees that monetary damages alone is not an adequate and just relief resulting from any breach of this License, that a court order prohibiting any further breach of this License is necessary to prevent further damages, and that Licensee will not oppose any reasonable request for a temporary restraining order, preliminary injunction, or other relief sought by Sebenza in the event of a breach of this License. Sebenza shall not be required to notify Licensee of any breach, nor make any demand or claim against Licensee resulting from any such breach, or for a demand to stop any use or distribution in violation of the terms of this License, and Licensee agrees that any breach of this License and damages resulting therefrom shall relate back to the first and earliest breach thereof. Failure of Sebenza to enforce its rights pursuant to this License shall not constitute a waiver of such rights, and shall not prejudice Sebenza in any later enforcement of its rights or rights to seek damages therefrom.

6. SEBENZA WILL NOT BE LIABLE FOR (A) ANY BUG, ERROR, OMISSION, DEFECT, DEFICIENCY, OR NONCONFORMITY IN MODULES; (B) IMPLIED MERCHANTABILITY OF FITNESS FOR A PARTICULAR PURPOSE; (C) IMPLIED WARRANTY RELATING TO COURSE OF DEALING, OR USAGE OF TRADE OR ANY OTHER IMPLIED WARRANTY WHATSOEVER; (D) CLAIM OF INFRINGEMENT; (E) CLAIM IN TORT, WHETHER OR NOT ARISING IN WHOLE OR PART FROM SEBENZA FAULT, NEGLIGENCE, STRICT LIABILITY, OR PRODUCT LIABILITY, OR (F) CLAIM FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, OR LOSS OF DATA, REVENUE, DEVELOPERS GOODWILL, OR USE. IN NO CASE SHALL SEBENZAS' LIABILITY EXCEED THE PRICE THAT DEVELOPER PAID FOR MODULE.

7. This License is granted, Module was developed, technical support is being provided in, and Licensee is downloading this copy of Module via miscellaneous resellers, distributors, gateways and servers, and is paying for the use of Module, in and from the County of El Paso, State of Colorado, and the parties agree that this License is to be performed in the County of El Paso, Colorado.

8. This License Agreement shall be governed by the laws of the State of Colorado, USA. If any provision of this License is found void, invalid, or unenforceable, it will not affect the validity of the balance of this License, which shall remain valid and enforceable according to its terms. In the event any party is required to seek judicial enforcement regarding any terms of this License, or to seek a judicial interpretation regarding any terms of this License, the party deemed by the court to be the prevailing party shall be entitled to, in addition to its costs and damages, reasonable attorney's fees and costs as determined by the court.

9. Licensee acknowledges that Module may be subject to United States export controls, pursuant to the Export Administrations Regulations, 15 C.F.R. Parts 768-799. Licensee shall comply strictly with all requirements of the Export Administration Regulations regarding use of Module.

10. This License Agreement constitutes the entire and sole agreement between Licensee and Sebenza, and is agreed to and entered into on the date you download or implement Module, whichever date is earlier.
